Re: Request for Determination & Approval: Minor Modification #2 to 20 Indian Path Wireless Facility (SP 1997-8) AT&T Mobility (Applicant)

Dear Ms. Lavallee

At its meeting on Monday, June 10, 2019, the Planning Board considered the request for minor modifications to the above referenced location and Special Permit as detailed in correspondence to the Planning Board from Anne Marie Zsamba, Real Estate Specialist, Crown Castle, 3 Corporate Park Drive, Suite 101, Clifton Park, NY 12065, dated May 17, 2019 representing the Applicant.

The Applicant (AT&T Mobility) proposes to remove six (6) existing antennas and RRH's (remote radio heads, non-antennas), relocated three (3) existing antennas and three (3) existing RRH's, and install six (6) new antennas and nine(9) RRH's, and associated cables and fiber truck lines. There will be no modification to the existing tower or compound.

After review of the submitted testimony the Planning Board voted unanimously to grant the changes as minor modifications to the above referenced Special Permit in accordance with the provisions of Section 5.8.8 of the Grafton Zoning By-law. All other conditions of the referenced Special Permit remain in full force and effect.

Sincerely,

Joseph Laydon
